

Talkpoint curates, facilitates and produces connective, peer-to-peer learning experiences designed to humanise work. We create spaces for conversations that matter and generate courage to lead wholeheartedly.

CURATION

Our unique vantage point and broad network enables us to identify patterns and opportunities to share knowledge and to collaborate. Talkpoint curates educators and information pertaining to more human ways of working.

FACILITATION

Skilled facilitation generates trust, rapport and a safe environment for people to access and articulate courageous, high quality thinking. Talkpoint facilitates and creates spaces for conversations that matter.

PRODUCTION

Talkpoint stages peer-to-peer learning programs and events distinguished by a commitment to invite people to show up fully. We are often praised for producing thoughtful, connective and refreshing experiences.

SPEED MENTORING

"We can not solve our problems with the same thinking we used when we created them." - Albert Einstein

Speed Mentoring is a networking game designed to facilitate deeper connection and relationship building through sharing challenges, experience and knowledge.

A fast, fun, facilitated exchange which delivers a fresh approach to mentoring and networking. Participants take equal turns being both mentor and mentee, creating unique opportunities to give objective advice and to receive insights from multiple perspectives.

Experience the game as an individual at one of our external events or arrange a private internal workshop for your organisation.

EXTERNAL EVENT

Gain diverse and impartial input on your current challenges while making new business friends. Our 90 minute Speed Mentoring games for curious professionals are played in Sydney.

Tickets start at just \$40pp - for details of our next event check-out: facebook.com/pg/TalkpointPtyLtd/events/
